Peter T. Wendel has taught academic success workshops at over thirty-five law schools throughout the country. In *Deconstructing Legal Analysis: A 1L Primer*, he provides a variety of time-tested techniques--including a unique model for visualizing legal analysis--to teach students how to think like lawyers and take law school exams. *Deconstructing Legal Analysis: A 1L Primer* features: a unique, visual pedagogical method that illustrates a relational analysis of facts, rules, and public policy an interactive approach that consistently encourages students to write down their answers to carefully guided questions a great teaching case, "Pierson v. Post," showing how a layperson reads a case as compared to how a lawyer would read the same case useful templates and methods for legal analysis and essay-exam writing, such as IRAC and IRRAC exam-taking tips and guidance that emphasize flexibility, rather than a formulaic approach If experience is the best teacher, then *Deconstructing Legal Analysis* is an essential for academic success in law school.
