A Taste of Heaven... When beautiful Katie Lee Holden lost everything, masterful Bruce Cabot came to her rescue. But Katie Lee was determined to forge her destiny alone--and light up the stage of glittering turn-of-the-century Seattle. No one would stop her...not even the man she loved.

To Bruce, Katie Lee was a pure and brilliant diamond. He vowed to make her his wife--before her sparkle was tarnished by unscrupulous men. They shared the embrace of eternal desire.

But would they ever share one another's dreams? [taken from fictiondb]
