Finding Dory tells the story of the beloved friendly-but-forgetful blue tang fish and her search for her loved ones. Along the way everyone learns a few things about the true meaning of family. The storybook comes with a real glitter globe and 7 press-out cards that contain 14 scenes from the movie. The glitter globe contains a Dory figure that floats inside.

The book includes prompts for when the reader should place the cards into the globe to create the watery scenes from the story.
