Grandma Anna knew Luna would have a special gift. She hoped these gifts would not burden Luna the way they had burdened her life. She prayed that a new generation of acceptance from society would come to embrace Luna, so that she would not need to hide.

Anna was committed to help and protect her granddaughter. Anna looked into Luna's deep, dark, almond-shaped eyes. They were wide awake and aware. They were mysterious and mystical. It was as if Luna had come with some great knowledge and wisdom. But there was something almost worrisome about her; the infant had a serious pouty face and a squinty brow. "What is Luna bringing to this family? What is she bringing to this world? Only time will tell."
