--Warning: This book contains graphic depictions of sexual activity including oral sex and masturbation. It is intended for mature audiences not offended by explicit representations of sexual activity between consenting adults. --Product His striking blue eyes and hot caresses haunt Raven's dreams leaving her longing each day for more, but are they dreams or something more? --Quote: The memory of the dream from the night before continued to snake its way into her thoughts, and her nipples hardened in response. The memory of his fingers stroking her swollen clit caused her to slip her hand beneath the waistband of her yoga pants, on past the barrier of her cotton panties, until she found the wet folds of her pussy.
