Harness the Power of Intention to Create the Love You've Been Dreaming Of Are you currently single or questioning whether your partner is your soul mate? Do you seek to deepen the connection you have in your relationship now? People from all over the world are using the exercises contained in this revolutionary book to manifest the unique soul mate relationship they've been dreaming of. This simple, step-by-step guide will help you create a long-lasting relationship that is rooted in intimacy of all kinds – spiritual, emotional, sexual and intellectual – creating a continuous source of joy and inspiration in your life. Drawing on years of experience, the author traces a path toward true love by revealing:

- How to let go of the past and develop the Self Love needed to find your soul mate
- Discover love for your body and make space for true love to enter your life
- Easy targeted exercises that will manifest your soul mate relationship
- Tests to reveal if your current partner is your one true love
- How to peacefully transition out of an unhealthy relationship
- Re-ignite the love you share in your existing relationship with specific techniques that will awaken your soul mate relationship today

Love & The Law of Attraction will provide the tools you need to walk through life filled with love, devotion and possibility.

Knowing that the powerful Law of Attraction is always at work, this book will help guide your intentions toward what you truly desire.
