- David Moody, author of the Autumn series. Continue the epic story of mankind's epic struggle against extinction in Book 2 of the "Hell on Earth Series": LEGION. What will you do when the world ends? That's a question that needs answering quickly when the gates to Hell open up all over Earth. Taking place across the globe is an apocalypse like no other, as humanity finds itself at war against a smart and merci foe. Follow the struggles of survival with several characters as things go from bad to worse. Humanity is dwindling. Vamps has never been anything more than a kid on the streets, but when those streets become a war zone, he and his childhood friends are forced to step up and become heroes—not an easy thing to do for a bunch of gangsters. It doesn't help matters that a rival gang is also out for their blood and that a group of humans seem to be helping the enemy.

Hernandez is a US Navy Lieutenant with a bright, neatly planned future. That is until the world ends and a

chance encounter with a rogue Coast Guard Captain leaves his future in disarray. It will take a lot of hard work, planning, and manipulation to take back the reigns of his destiny, and punish those who have crossed him. Richard Honeywell is a police officer at a time when being a police officer is the least safest thing a person can do. The world is at war, but Richard still has a duty to keep the peace and protect the citizens of the United Kingdom. Yet, how can he do that when his own family are in danger? People are looking to him for leadership, but how do you lead army of civilians to certain death? The world must come together and fight back against the unstoppable Legions of Hell, because no one is coming to help them.

The monsters are real and they will not stop. Welcome to Hell.
