Captain Marvel is one of the Marvel's Universe's original celestial super-heroes. Captain Marvel was re-introduced to fans in the pages of the hit '99 series Avengers Forever, which became an instant classic. From the pages of the hit Avengers Forever comes an instant classic: Captain Marvel. Son of the legendary Mar-Vell, Genis continues the legacy left by his Kree-warrior father. There's a catch, though, since Genis shares a body with Rick Jones, longtime Avengers ally. Only one of them can exist on Earth at any given moment. Hijinks ensue Rick is trying to figure out what his life holds for him.

He's trying to work things out with his estranged wife, Marlo, and trying to understand what it means to be a hero. Genis, on the other hand, is trying to acclimate to Earth, Rick, and a world full of dangers. Will this unlikely duo be able to get along long enough to save the world??
