This story is based on actual events from the author's life. Theresa was the ninth of ten children; the one with the birth defect. She was born into a strict Catholic family in Dayton, Ohio, and you'll feel her heartache as she falls from grace with her father, only to have him die soon afterwards. This event is followed by the death of a beloved sister, and the truly bizarre behavior of her mentally ill and abusive mother. Experience the excitement as, at her mother's insistence, thirteen-year-old Theresa is thrust into the discos of the mid-1970s, soon becoming a regular in those establishments. Share the journey as she tries to find Mr. Right and her own happily ever after, while fate plays the biggest role of all. Pour a cup of coffee or a glass of tea, grab your favorite munchies, and settle into your easy chair, as you enjoy this real-life fairy tale.
