After an explosive locker room confrontation with his Russian rival ends in the most surprising and intense sex of his life, American pairs skater Dev Avira needs to refocus. He's worked for years to win Olympic gold, and he can't let himself—or his partner—down.

Distraction in the form of steely and smoldering Mikhail Reznikov is the last thing he needs as he prepares for the biggest competition of his life. But with the Games only days away, they can't keep their hands off each other. Dev soon learns that beneath Mikhail's arrogant and aloof exterior is Misha, a passionate man who warms Dev's heart and scorches his bed. They're both determined to win, but for Misha his freedom could be on the line. Can Dev put his deepening feelings on ice as he goes for gold?
