If you are having problems in marriage, it's either psychological mental issues or it's a lack of skill and understanding of basic principles. If it's the latter, this is the perfect book for you.

Laura Nielson Denke teaches in an easy-to-read narrative style the ten key principles for making a marriage successful. They are often so unknown that some have called them secret. Laura will reveal all of them to you so you can move your marriage to a level of happiness shared by few.
