Allen's companions have escaped, but he remains at the mercy of their rival werewolf pack. What happens when their alpha makes him an offer that's very hard to resist...? --- Whether from the bite or from having been alone in the dark for God knew how long, it was impossible to tell. In spite of himself, his hands unclenched, his muscles relaxed. The world beyond the closed door seemed a lifetime away. There were people and pack and he couldn't let them down, wouldn't give in, but it was so tempting... --- The Alpha's Captive is a gay werewolf erotic short story by R. L. Tristan. It contains explicit scenes of domination, alpha/beta dynamics, M/M sex, and knotting. For mature readers only!
