An ancient evil stalks the Adirondacks... A ghost hunter is faced with events she has never seen before... A private investigator is not at all what he seems... When Zachary Collins agrees to help the head of Buffalo Paranormal Investigations with a hostile haunting, he has no idea he will be immersing himself in the hunt for an ancient monster or that the monster may be hunting him. Zach will need all of his skill, both magical and mundane, to keep his client alive and to survive...Hunting the Beast.
