READERS TAKE NOTE: This is A SHORT STORY. It is intended for the members of Kindle Unlimited who have been requesting me for short, sick, bedtime stories.

As part of Kindle Unlimited they are able to download this title for free. If you wish for a longer story to read, please do not purchase any of the White Cover Books (aka 'F*cked-Up Shorts' range of tales). A good place to start would be The Black Cover Books (for lovers of extreme horror). From Matt Shaw (Sick B*stards) comes a new short story following a quiet night in for Suzanne. Her husband has taken the two eldest children to the cinema leaving her to a quiet night in with a hot bath and a kindle. But who's that knocking on the front door and - more to the point - what do they want?!
