The six-person crew of a derelict spaceship awakens from stasis in the farthest reaches of space. Their memories wiped clean, they have no recollection of who they are or how they go on board. The only clue to their identities is a cargo bay full of weaponry and a destination—a remote mining colony that is about to become a war zone! With no idea whose side they are on, they face a deadly decision. Will these amnesiacs turn their backs on history, or will their pasts catch up with them? Collects issues #1-#4 of the miniseries.
