Get your students workplace-ready with SAM, the premier proficiency-based assessment and training solution for Microsoft Office! SAM's active, hands-on environment helps students master computer skills and concepts that are essential to academic and career success. Skill-based assessments, interactive trainings, and comprehensive remediation engage students in mastering the latest Microsoft Office programs on their own, allowing instructors to spend class time teaching. SAM's efficient course setup and robust grading features provide faculty with consistency across sections. Fully interactive MindTap Readers integrate market-leading Cengage Learning content with SAM, creating a comprehensive online student learning environment.
