Accustomed to working in a saloon, Mary Margaret isn't sure what her future holds but she doesn't want to spend the rest of her life lying flat on her back. Right when she plans to move on and find another career, five of the sexiest men alive stroll into the Cripple Creek Saloon. Soon, Mary Margaret is their full-time employee but she quickly discovers the men are there for more than a good time and they're promising something very similar to forever.
