Growing up poor and with a set of parents who couldn't care about her, Jessica Evans was on her own. She knew she wanted better and was determined to make it through college. Her only problem was that she was broke, and college was expensive.

That's when she was introduced to the world of depravity and scandal that she currently resides in.

Damon Shaw has just been assigned to take over the day-to-day operations of the escort service where he's been working for almost five years. He immediately bumps heads with the sexy and stubborn Jessica. Damon is determined to show Jessica who is in control and make her follow his every instruction. When the two get together, sparks begin to fly. Jessica and Damon will challenge and enrage each other at every turn. The sting of words and the temptation of seduction are ever present between them. Damon is not at all what he seems. When all hell breaks loose, will Damon and Jessica make it or will she send him packing? **Shattered Innocence is for mature audiences only—strong language, and explicit sexual content are apparent.**
