Rugged Peter Gifford had always come to Angeleen MacKenzie's rescue -- and now, he was getting her out of the biggest trouble of all, by protecting her honor with a vow of marriage. The free-spirited beauty had strayed far from home, and now Peter was bringing her back...as his bride. Every toss of Angel's ebony tresses, every flash of her sapphire eyes, tempts him into waging a passionate seduction of the woman he calls wife yet who refuses to share his bed. Can his kisses tame her wandering spirit -- and awaken the wild need that will bind her to him forever.
