Her best friend. Her new man.

In the end, which one will be the better man? Symoné Jeffries is a talented soul singer with a promising future and old fashioned values that go against the grain of the industry she so desperately wants to break into. She has a voice that only comes along once in a generation, and those closest to her know it's only a matter of time before she gets the credit she deserves. Upon receiving the opportunity of a lifetime, Symoné returns to the city she grew up in and reconnects with her childhood best friend: a handsome police officer by the name of Derek Whitmore.

Derek and Symoné pick up where they left off so many years ago, but it comes as a huge shock to them both when some not-so-platonic emotions enter the mix. Will their transition from friends to lovers be one of ease, or will Symoné's budding infatuation with Derek's attractive co-worker Seth put an abrupt end to their relationship before it even begins? Only time will tell, but one thing is for certain... There's a crowd. The Better Man is a 50,000 word STANDALONE romance with a HEA. Grab it on sale for only 99 cents for a LIMITED time. Deal only good through the holidays.
