Ravyn's life is about to change. As a child, Ravyn was whisked away by magic, to protect her from evil. As her 16th birthday approaches, the safety net evaporates, leaving her exposed.

Ravyn faces harrowing challenges at every turn.

She learns about her strengths and weaknesses, magic, friendship and love. The responsibility to save Aigerach rests on her shoulders and ultimately she must challenge her evil Aunt Zelera for the return of the crown.
