Waking up as a shifter was a little more than he was ready to handle. Tane's life had been spent in the military, urban warfare was his specialty.

Now he was on the run from the same military that trained him and urban warfare may be the only thing that keeps him alive. Leza went in for a simple back surgery and woke up chained to the bed. Monster they called her until the day she escaped.

How was she supposed to know she was simply being deployed as a weapon? Now Tane had a decision to make, kill Leza or let her live. The killing would be easy, but letting her live meant complications and issues, like his sudden need to make her his. Tane and Leza need to learn what it means to be a shifter while avoiding the military that wants them back. This book contains adult content it is not recommended for readers under the age of 18
