Ready to submit to a stud that's beneath her class and highly forbidden, will Briana risk everything for his touch? A short and steamy erotic middle ages romance tale of a pure and virginal highlander debutante of the royal class, who gives into the carnal dominance of a man that she's forbid to see... Briana is arranged to be wed to a man she loathes, and her secret romance with a boy below her class is threatened to end. With nowhere to else to go, Briana and Eagan rush to an abandoned barn in the green hillside. But Just as she's about to give herself completely, her father and several dignitaries come looking for her, and in the process come dangerously lose to catching her undressed with Eagan. Eagan's sultry touch awakens every sense within her, but she must keep quiet if she wishes to satisfy the aching lust that she's been desperate to taste. Click "look inside" for every last steamy detail of this Scottish highlander erotic romance short... 18+ only!
