Secrets, once uncovered, can change everything.

With her finfolk powers blooming and her sealskin lost, Lorelei Dorian must find a new way of living. One that challenges all she knew about herself, humanity...and fear. But trouble is coming. Selkies and finfolk are enemies for a reason, and Lorelei's very existence is forcing change. Fighting through the storm may be the only way to forget the "normal" girl she left behind and face the woman she's become.
