Two harrowing true crime tales of women kidnapped by serial killers. Jerry Brudos - A father, husband, son, an electrical engineer, and a murderer. Those words do not begin to describe serial killer Jerry Brudos (a.k.a. The Lust Killer).

No one expected this average looking, middle-aged man to be a heart murderer, but “serial killer” was not the only category that this evil man fell under. You’ll also find Mr. Brudos’ name under: “necrophiliac”, “fetishist”, “rapist”, “crossdresser”, and “psychopath”. Jerome Brudos’ mental state foreshadowed dangerous signs ever since he was only a teenager, but a long life of people brushing off his odd desires gave birth to a monster that’s almost too evil for words. Franklin Floyd - Franklin Delano Floyd’s life was a long series of strange and tragic occurrences, beginning with the death of his father when Floyd was just a year old. Floyd grew up in an orphanage and turned to a life of crime at a young age, earning himself a lengthy criminal record over his lifetime. By the age of 20, in the year 1963, he was imprisoned for the kidnapping and rape of a 4 year old girl. He escaped from prison, robbed a bank, and then served a ten year prison term.
