A woman of the night .

. . Her inherited estate is bankrupt, but Lady Sylvia Montgomery will never allow the townsfolk who depend on her to starve. Desperate times call for desperate measures, and the plucky beauty reluctantly assumes the leadership of a smuggling operation—a mantle that fits her surprisingly well. However, the perilous enterprise may be more than one resourceful, genteel lady can manage alone. Luckily, help is on the way—in a most deliciously enticing masculine form! A rogue in training . . . Stripped of all familial responsibilities when his brother, the earl, returns from war, Anthony Sinclair has decided to become a rakehell. His pursuit of pleasure has led him to a village with a secret—and to an intoxicating lady involved in criminal activities. By rights, he should simply seduce the wench, have his way with her, then vanish. But the bewitching Sylvia has captured Tony's heart. And to win her love he will join her in turbulent and dangerously exciting waters where no true rake would ever venture.
